# LITIGATION SUPPORT

**“Behind every great attorney  
is a good investigator”**

There are many types of legal issues that require investigative expertise. Locating and interviewing witnesses is an integral part to an attorney winning any case. The ability to draft an effective affidavit, photograph an accident or incident scene or prepare a detailed diagram could also determine the outcome of most cases.

Having a Quality Defense Investigator that can properly review police reports and determine flaws and inconsistencies can create new leads which can assist with winning your cases.
